

Job Description Water / Wastewater Engineer

About Winelco Inc.

Founded in 1958, Winelco Inc. is a full service contract operator and construction company for the residential, commercial, and municipal wastewater / water treatment industry sectors. We are highly regarded in our area of operation (Ohio, Kentucky, and Indiana) for integrity and balanced dedication to the customer and environment.

Engineering Department: Winelco Inc. offers its customers exceptional value, by offering in house complete turnkey solutions from design and construction to ongoing maintenance. Our systems are designed to achieve the highest quality output at the lowest possible cost. Our competitive advantage comes from integrating over 50 years experience as operators and construction contractors into our designs and never over engineering.

Job Description

Winelco Inc. has an opening for a highly energetic Project Manager focused on growth opportunities with a specialization in water and wastewater design. The ideal candidate will be the major component in our growing operation. The ideal candidate will have relationships with and experience working with municipalities, cities, and townships on projects throughout the State of Ohio, Kentucky, and Indiana.

The responsibilities of this position are:

- Client relationship development, project identification, client meetings, proposal input.
- Manage and mentor engineering and operation staff as needed.
- Project Management - Manage budgets, schedules and deliverables, and undertake technical work associated with all or a portion of the water / wastewater services, ensuring all client expectations are exceeded.
- Active participation in related professional associations

Qualifications

- 7+ years of water/wastewater experience
- Strong leadership in design of water and wastewater services
- Successfully managed design projects for municipal and private clients
- Professional Engineering registration or ability to obtain registration, in Ohio
- Strong communication skills and positive attitude required

Winelco Inc. is an Equal Opportunity Employer
